

Case Study, Story, Scenario: Resource Allocation Guide

Is your learning solution going to involve a case-study, a story or a scenario? Then, you need to plan for it up front. The following table will help you assign the right resource, (and thereby estimate the right effort) and avoid rework/effort overruns.

Category	Knowledge & Skills	Primary Resource	Secondary Resources
Case Study	<ul style="list-style-type: none">• Excellent Domain Knowledge• Research Ability• Content Structuring Skills	Subject Matter Expert	Instructional Designer
Scenario	<ul style="list-style-type: none">• Some Domain Knowledge• Content Structuring Skills	Instructional Designer	Subject Matter Expert
Story	<ul style="list-style-type: none">• Some Domain Knowledge• Creative Writing Skills	Creative Writer	Instructional Designer Subject Matter Expert
